

Subject: OBJECTION TO PLANNING APPLICATION A/99/17/OUT Land South of Water Lane, Angmering Village.

Since moving here seven years ago, we have witnessed the gradual unrelenting building on every free parcel of land, which in turn has over saturated the village we once knew. Local services such as schools, doctors and medical facilities are over stretched, to a point of bursting, not to mention the gradual concreting over and strain on the local infrastructures.

Yours sincerely,
