Hi Fiona,

We consulted you back in June 2017 on outline planning application A/99/17/OUT - Land South of Water Lane, Angmering, but at the time your response did not include a recommendation for a condition for electric vehicle charging points. As I am taking the outline planning application to the Development Control Committee meeting on 18th October 2017, would you like me to impose a condition for electric vehicle charging points?

I look forward to receiving your reply.

Kind regards,

Michael
