Subject: RE: Environment Agency's response to A/99/17/OUT - Land South of Water Lane, Angmering

Hi Michael,

The submitted FRA covers the drainage strategy and the storage areas provided, in particularly if you look at drawing Sth-301-001 it outlines that the outfall from the northern basin to be reduced to account for discharge from the highway catchment. Further information will be provided at the reserved matters stage.

I am in the office all day tomorrow if you would like to discuss.

Many thanks

Zoe

Subject: Environment Agency's response to A/99/17/OUT - Land South of Water Lane, Angmering

Hi Zoe,

The Environment Agency makes the following comment in its representation on A/99/17/OUT:

- "Due to the flood risk downstream in Angmering, the EA would request as part of the proposal that additional compensation areas could be provided".

Have these additional compensation areas been sought or added into the illustrative masterplan? If not, could they be?

I look forward to receiving your response.

Kind regards,

Michael
