Hi Karen,

We have an extension of time (EoT) to determine outline planning application A/99/17/OUT – Land South of Water Lane, Angmering until **Friday 16th November 2018**.

Please could you update the records on Ocella.

Thanks,

Michael / Claire

Following written confirmation from Neil (below) that our application will go to the November Development Control Committee (on 14<sup>th</sup> November), and having discussed this with my clients at Rydon Homes and Gleeson Strategic Land, I can confirm that we are willing to grant an extension of time until Friday 16<sup>th</sup> November.

As Neil suggests, we would like to use the time between now and then to ensure that the content of the S106 is completed (we are very close as we understand it), thereby allowing permission to be issued quickly after a resolution to grant permission.

Kind regards

Adam
