Hi Nicola,

The email below is a response from a member of the public regarding the granting of outline planning permission for Land South of Water Lane, Angmering (A/99/17/OUT) yesterday.

Does the email go on Ocella?

Kind regards,

Michael

Once again let down. Can't believe you and your team are allowing the destruction of Angmering Village. I use the term Village!! But I think we can now say town !

Kim weeks
