Technical Support Unit on extn. 37711

7th August 2019

Dear Mr Richard Mulholland

Development:

Large Holm oak in grounds of Angmering Manor hotel. Over hanging The Honey Pot property. Permission is requested to reduce the two lowest large limbs, heading south/south east, back to the property boundary. Concerns around light, leaf litter. The large limbs are directly above a lodge with elderly residents, who have concerns that they could fail. I'm not aware of any arboricultural reports on the tree. It is of significant age, and has some old poorly applied bracing in the crown

Location:

The Honey Pot Honey Lane Angmering
