Thank you for your internet representation made on 7th June 2018 which has been recorded as '**support**' with the comments as follows:

To Whom it May Concern

I would confirm that I have known Tony Castle and his brother Billy for a number of years. When they were younger they would travel in West Sussex, with their father, and in particular around the Arun and Chichester area. Since the transit site in Stane Street Chichester West Sussex they have been resident on the site on two occasions since it opened in May 2016 as they had nowhere else to stay.

If you require further details please feel free to contact me

Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully
