Subject: Application A/9/19/PL Proposed care home on land at Pound Place, Roundstone Lane, Angmering.

Dear Anita,

In respect of the above planning application and following consultation with local residents the applicant has come to the conclusion that the proposed position of the bin store could be improved in relation to its position to neighbouring residential properties. The attached plan (1388/001G) highlights a new improved location for the bin store.

This plan has also been sent to the neighbours together with the attached letter.

Could you please take this as a new substituted site layout plan and determine the application on this basis. You would have seen an earlier email requesting a meeting to discuss the application as a whole.

Best wishes
