Good Morning Douglas.

Following a meeting with local residents, Kevin asked me to amend the location of the bin store in order to move it away from the rear gardens of the properties to the south of the application site. Accordingly, attached is the revised site layout and bin store drawing.

I have sent the revise site layout to the landscape architects in order for them to amend their drawing to match. I will send this to you as soon as I receive it.

Kind Regards

Richard Chamberlain
