Dear Anita,

In respect of the above you will be aware that I have been trying repeatedly to speak to you on this planning application over the last month. I know you are busy and you phoned the office last week but you promised to phone back within half an hour. Despite me trying to speak to you then plus on numerous occasions before and

since I would really appreciate an opportunity to discuss any of the outstanding issues, confirmation that the proposal is now acceptable and can be supported as well as the procedures for the determination of the application and the timescales associated with it.

My contact details are below. I am in the office all day today and have asked the office to interrupt me either in meetings or on other phone calls to take your call.

I look forward to hear from you as soon as possible.

Many thanks

Best wishes

Dear Mr Bond,

I have received the attached comments from County Highways today. You will see they are requesting the submission of additional information. Can we agree an extension of time until 31-07-2019 to allow for receipt of the additional information and re-consultation?
