Subject: Application PP-07222289V1 - 8 Clock Park, Shripney Road, PO22NH

Hello,

With regards to change of use application PP-07222289V1 for change of use for 8 Clock Park, Shripney Road, PO22NH I believe the contractor stated we have 5 parking spaces with the property when submitting the application, however the agents particulars state there are approx 14 spaces with the property and wanted to update this in case this is a consideration.

Any questions please let me know.

Thanks and regards
