Dear Miriam,

You have objected to this application re: loss/shortage of good quality industrial properties in Bognor. Please see the below messages sent to me today detailing the number of people who have enquired about the unit and the reasons why people are not interested.

Does this alter your previous comments? Do you require more proof etc?

Thank you

Richard Castro-Parker

Hi Stuey,

We have had approximately 8 viewings over the marketing period. Generally speaking people have ruled out the property for the following reasons:

- Poor loading and HGV access
- Limited internal head height
- Mezzanine floor is of no use to large parts of the market and only increases the amount payable on business rates
- Not desired planning usage
- Style of building is deemed unattractive

Hope this helps.

Kind Regards,

Mikael

Hi Mikael,

We've been on calls with Avon Council this morning and they are asking for any further information that would support the lack of interest, or 'non progression' interest that you've had (if any) on the site.

I appreciate that you sent a fair bit of info through the other day, but would you be able tell us if and when anyone viewed the property and why it was dismissed. The more detail and information we can provide the better for us and our application.

I appreciate your help in this matter.

Kind Regards
Stuey
