Dear Planning

Please could Emergency Contact Details in point 24 of the CMP be updated – at present there is just a list of agencies (e.g. Police, NHS Direct) but no actual contact details. Also, St Richards Hospital in Chichester is much closer than Southampton General Hospital, so this may need to be amended aswell.

Beyond this point Environmental Health has no further comments and would be satisfied that the CMP condition and the lighting condition are discharged.

Regards

Fiona Fitzgerald
