Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: BE/101/21/HH
Site Address: 3 Homing Gardens Bersted PO22 9AJ
Description of works: Replace metal framed/wood panel workshop in rear with brick-built workshop
(This application may affect the character and appearance of the North Bersted Conservation Area)

Thank you for your internet representation made on 15th November 2021 which has been recorded as an objection with the comments as follows:

OWPC41917

The plans show a very wide window facing into the shared compound causing concern regarding privacy and security.

The garage compound is already overcrowded and in poor condition, partly due to a heavy vehicle which Mr Travers' tenant at No.3 used to park there, and more vehicles would cause further deterioration. The space in front of No.7 garage is short and the extra space at the end of the compound next to No.7 is required for access and turning. As Mr Travers has not discussed his plans with us, we do not know the intended use of the workshop. However, if this resulted in an increase of vehicular traffic, it could cause increased damage and difficulty in parking and accessing garages, as all parking spaces are fully utilized at this time.

Your views as made above will be considered before the application is determined.
