Hi again,

Attached are new PDF's. 1B, 2B and 3A. Responding to No. 7s comment about linking to his wall, I have revised to show totally separate workshop.

I will not be using access from the Car Park area and have no intention of repairing cars, now or in the future.

If you need the window reduced, I can arrange that.

Thanks.

Regards

Dear Mr Travers,

We are looking over your application for 'Replace metal framed/wood panel workshop in rear with brick-built workshop (This application may affect the character and appearance of the North Bersted Conservation Area) at the above address.

However on the Proposed Elevations plans you have submitted, they have been labelled incorrectly as 'Existing and Proposed NEE' and 'SWW' Please see snapshot below:

Existing NW Elevation

Existing NE

Proposed NW Elevation

Proposed NE

Scale 1/8"

Existing SWV Elevation
 Neighbouring House not shown for Clarity

Proposed SWV Elevation
 Neighbouring House not shown for Clarity

Therefore please can you amend these and resubmit these plans to me as they are supposed to be NNE and SSW?

Thanks

Regards

Richard
