Michael

Please see attached drawings as requested. I have asked our energy consultants to advise on the renewable energy point and will come back to you as soon as I can, but would comment that the report is only able to assess the units for which users and requirements are known which is why it concentrates on the 'full' area of the application and not the entire site at this stage.

When is your report due to be published?

Regards

Nia

Hi Michael

There is an annotation shown on the drawings at the moment - do you mean showing the road link extended down to the red line boundary (as scribbled roughly on the attached)?

Thanks

Nia

Hi Nia,

Please could you send me an amended site plan of the Salt Box development showing an access road that will link up with the Rowan Park site to the south?

Both Salt Box and Rowan Park make up the strategic employment site in the emerging Local Plan and the current application needs to show potential access to the adjacent site.

Many thanks,

Michael
