Susan,

Please find below the Highway comments in response to the above consultations. My apologies for not sending in response to the original consultation, as per standard process, as these have gone astray internally.

Kind regards,

Dominic

BE/103/12

The Highway Authority is satisfied that the proposed cycle parking facilities are suitable, and meet the requirements set within the WSCC Parking Standards in providing secure and covered parking. No objection to the discharge of condition 7.

BE/104/12

The Highway Authority is satisfied that the spaces set out within the submitted plan provides sufficient parking and is in accordance to the strategy submitted within the Transport Assessment. No objection to the discharge of condition 6.

BE/106/12

The revised Travel Plan submitted in support of the discharge of conditions takes into account comments made in the consultation, and subsequently to the applicant, into the latest revision. It is considered that the TP now accords to WSCC guidance and that we can approve the document. As a result, the Highway Authority raises no objection to the discharge of condition 9.
