Dear Mr Davis

First of all thank you for being so courteous to my wife the other day.

Following on from my telephone conversation with you this morning I would like to withdraw our planning application regarding the agricultural tie on Springfields, address above.

We will be following up with a Certificate of Lawfulness and associated paperwork which we will mark for your attention, once we have managed to obtain all this.

Many thanks for your advice and helpfulness today. You explained the process in layman's terms that we could understand. It was a pleasure talking with you.

Kind regards

Chris Thorne
