1.0 Foul and Surface Water Drainage Statement

Foul Water

- 1.1 The foul water drainage from the new property is taken to the existing private (as it takes only one property at present) foul water drain sited on the clients site as shown on the plans.
- 1.2 The foul sewerage from that point is then taken via the existing drain to the public foul water sewer.

Surface Water

- 1.3 Surface water drains will be taken to the existing surface water sewer.
