Subject: FW: Condition 11 - Travel Plan

Hi Dominic,

I can confirm that the revised TP now accords with our requirements and I am therefore able to approve. I understand that since I made my previous comments RR-MC Ltd has joined the nascent easitCHICHESTER network, which is excellent news. I have highlighted this in the attached in case Hydrock wishes to amend section 5.4.5 accordingly.

Kind regards,
Andy

Richard/Dominic,

Please find attached a revised Travel Plan taking into account Andy's comments on Issues 1 and 2.

Please note that the most fundamental adjustment requested is regarding how the travel plan is monitored. Rather than travel surveys, the Council have requested that traffic count surveys are undertaken within 6 months of occupation, with repeat surveys undertaken in years 3 and 5.

There are also updates and further information provided within the travel plan initiatives section, which reflect further information available from the Council.

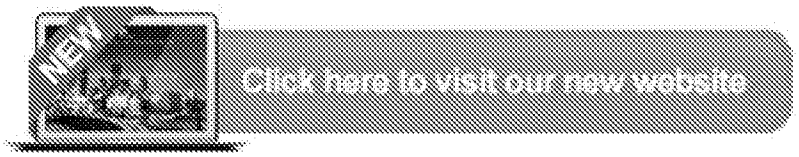

Let me know if you have any questions.

Kind regards,

Adam

Hello Adam,

My colleague, Andy Mouland (WSCC Travel Wise Officer), provided comments in response to the consultation recently. He's reviewed the recent submission and has offered additional comment below.

Kind regards,

Dominic,

The inclusion of paragraph 3.2.18 is welcomed and addresses one of the comments I made on C14443/T005 Issue 1 (09.07.15). The changes to paragraphs 5.6.4 to 5.6.7 are also acceptable, however this section should also clarify how car sharers will be transported home in the event of a domestic emergency (I understand that a system operates at the Goodwood site that could be replicated at the TLC).

It would appear that Issue 2 was drafted on 24th June (i.e. before I had the opportunity to comment on Issue 1). Therefore the comments I made on Issue 1 still stand and will need to be addressed before the Travel Plan can be approved.

Kind regards,
Andy

Dear Richard,

Hope you are well. Following the submission of the Travel Plan (C14443/T005 Issue 1) on 24th June 2015 we have received a slightly amended version from the client. To highlight the changes for ease, the changes are concealed to paragraphs 3.2.18 and 5.6.4 to 5.6.7. Would it therefore please be possible to substitute in the attached Travel Plan (C14443/T005 Issue 2)? Let me know if you have any questions.

Kind regards,
