Subject: Be/109/19 OUT - Shripney Road

Dear sir

Reference the proposed 46 dwellings opposite our service road and our house I object to this proposal

- it seems hardly likely now that Shripney will get its bypass it needs, so 70 plus vehicle movements a day trying to enter exit onto the A29 which when it becomes a throughpass will be almost impossible
- just north of this sight, next to the Premier inn in Orchards some 20 plus dwellings were proposed and rejected by ADC, because of traffic, was overruled by WSCC.
- Double standards seem to apply and is not logical
- it would completely block our views that we enjoy now
- if the realigned A29 was a bypass around Shripney then it would be safe to allow this development

Thanks and regards
