Dear Nigel,

Just to confirm what I advised over the phone just now, we will require that the red edge is amended to include all land necessary to carry out the development including all land required for access to the site from the public highway and land necessary to provide the visibility splays. You will also therefore need to serve notice on the Highways Authority (WSCC) and provide us with an amended certificate and copy of the notice form.

Kind Regards

Simon – if you have 5 minutes this afternoon please could you give me a call so I can update you? That or let me know when you'll be free and I'll ring you.

All matters are progressing behind the scenes and I hope this week to respond on various aspects. Have you had any further consultation responses ?

I attach a composite plan on the highways/site boundary issue for discussion.

Kind regards,

Nigel Jarvis | MRTPI | Director
