Dear Nigel,

I am sorry to advise that we are being told that the April Committee is likely not to take place (indeed all Council Meetings are likely to be cancelled until May) and that therefore there will be an additional delay with your application with the next available Committee being May 27th 2020.

My report is essentially done aside from the highways comments and the matter of what we are doing re soils.

Please can you also confirm whether you will update the FRA with the additional points I emailed about.

I am not available by phone today but will be back in the office tomorrow.

Kind Regards
