Subject: BE/113/17/RES comments from Natural England

Dear Mr Innes

Just to ask whether you would accept comments on the above by 13th October?

With kind regards & thanks

Louise Diez
Focus Area Advisor
Natural England

We are here to secure a healthy natural environment for people to enjoy, where wildlife is protected and England's traditional landscapes are safeguarded for future generations.

In an effort to reduce Natural England's carbon footprint, I will, wherever possible, avoid travelling to meetings and attend via audio, video or web conferencing.
