Steve. Thanks but for completeness can you revise Sheet 3C too. 3C shows the site layout but with the GF plan of the houses as opposed to a roof plan. I don't know why we have two versions of the site plan but unless you withdraw one of these, I need both amending.

Dear Steve,

I am just writing the application up for the November Committee (to approve) and I've noticed that your submitted site plans (Sheets 3C & 3D) do not follow the revised red edge as taken from the topo which we asked for last time. Can you rectify please.

Kind Regards
