Subject: Rolls Royce Technology And Logistics Centre, Newlands Road, Bersted, Bognor Regis, West Sussex, PO22 9FJ - BE/118/21/PL

Planning Application Reference: BE/118/21/PL

Proposal: Construction of a storage facility with associated works including drainage and hard landscaping. This site is in CIL Zone SP3 (Strategic) & is Zero Rated.

Address: Rolls Royce Technology And Logistics Centre, Newlands Road, Bersted, Bognor Regis, West Sussex, PO22 9FJ

Dear Brenda,

Environmental Health has no objection in principle to the above proposal, however the following matters must be considered:

Construction

No development shall take place, including any works of demolition, until a Construction Management Plan has been submitted to, and approved in writing by, the Local Planning Authority. Thereafter the approved Plan shall be implemented and adhered to throughout the entire construction period. The Plan shall provide details as appropriate but not necessarily be restricted to the following matters:

- a) An indicative programme for carrying out of the works;
- b) Details of the arrangements for public engagement / consultation both prior to and continued liaison during the construction works;
- c) Measures to minimise the noise (including vibration) generated by the construction process to include hours of work, proposed method of piling for foundations, the careful selection of plant and machinery and use of noise mitigation barrier(s)*;

- d) Details of any floodlighting, including location, height, type and direction of light sources and intensity of illumination;
- e) The parking of vehicles of site operatives and visitors;
- f) Loading and unloading of plant and materials, including permitted times for deliveries;
- g) Storage of plant and materials used in constructing the development;
- h) The erection and maintenance of security hoarding including decorative displays and facilities for public viewing, where appropriate;
- i) The provision of wheel washing facilities and other works required to mitigate the impact of construction upon the public highway (including the provision of temporary Traffic Regulations Orders);
- j) Measures to control the emission of dust and dirt during construction;
- k) A scheme for recycling / disposing of waste resulting from demolition and construction works i.e. no burning permitted.

Construction hours

No demolition/construction activities shall take place other than from 08:00 hours until 18:00 hours (Monday to Friday) and from 08:00 hours until 13:00 hours (Saturday) with no noisy work on Sunday or Bank/Public Holidays.

[In addition to these hours of working, the Local Planning Authority may approve in writing a schedule of activities where it is necessary to conduct works outside the hours specified in this condition]

Reason: To protect the amenity of local residents in accordance with Policy QE DM1 of the Adopted Arun Local Plan 2011 – 2031

Sincerely, Craig

Craig Milligan
