Hello AMBER

In answer to your question the colour will be a natural timber golden brown or similar.

If you require any further question please do not hesitate in contacting me.

Kind regards

Andrew Strange

Dear Mr Strange,

I am the case officer on your application BE/11/19/HH at Parkside Farm, Shripney Road.

I am just writing to enquire as to what the proposed colour of the outbuilding is to be or whether it is to remain as existing (green).

If this has not yet been decided a condition may need to be included in which details are submitted at a later date however in order to avoid this an email confirming what the proposed colour is will be sufficient.

Thank-you

Amber Willard
