Land at Salt Box, West of Shripney Road, Bognor Regis

Notification regarding the above application:

Condition 7 (full planning permission)

No development shall take place, other than works of site survey and investigation, until a Construction Management Plan has been submitted to and approved in writing by the Local Planning Authority. Thereafter the approved Plan shall be implemented and adhered to throughout the entire construction period. The Plan shall provide details as appropriate but not necessarily be restricted to the following matters,

- the anticipated number, frequency and types of vehicles used during construction,*
- the method of access and routing of vehicles during construction,*
- the parking of vehicles by site operatives and visitors,*
- the loading and unloading of plant, materials and waste,*
- the storage of plant and materials used in construction of the development,*
- the erection and maintenance of security hoarding,*
- the provision of effective wheel washing facilities and other works required to mitigate the impact of construction upon the public highway (including the provision of temporary Traffic Regulation Orders),*
- details of public engagement both prior to and during construction works.*

Reason: In the interests of highway safety and the amenities of the area. It is considered necessary for this to be a pre-commencement condition because the Construction Management Plan needs to

The following information submitted regarding Condition 7 imposed on the full planning permission relating to the submission of a Construction Management Plan is part approved and the condition is hereby part discharged.

The previously approved CMP was written by the former contractor; and it is hereby replaced with a CMP written by the new contractor of the Salt Box development.
