Dear Sir /madam

I was visited by your senior planning
office Rosemarie Dannatt and she
informed me that I need planning permission
for the 3 items I have included in pack.
These buildings have already been put
up (I didn't know they needed planning)
I would greatly appreciate your help
as I have a deadline of 26th Nov
I have enclosed pictures of work that
has already been done and filled in
forms to the best of my knowledge,
please could you advise what I need to
do next and costs,
Thank you in advance
