Subject: FAO David Spring: Highways England response (our ref #86767) re. BE/126/19/PL - Land at Phase 1A, Oldlands Farm

For Attention Of: David Spring

Planning Application Number: BE/126/19/PL

Site Address: Land at Phase 1A, Oldlands Farm, Shripney Road, Bognor Regis, PO22 9NN.

Proposal: Erection of a discount convenience retail food store (Use Class A1) & parking, landscaping & other associated works.

Highways England Reference: 86767

Dear Mr Spring,

Thank you for consulting Highways England on 17th December 2019 regarding the above proposal.

Highways England has been appointed by the Secretary of State for Transport as strategic highway company under the provisions of the Infrastructure Act 2015 and is the highway authority, traffic authority and street authority for the strategic road network (SRN). The SRN is a critical national asset and as such Highways England works to ensure that it operates and is managed in the public interest, both in respect of current activities and needs as well as in providing effective stewardship of its long-term operation and integrity. Highways England will be concerned with proposals that have the potential to impact on the safe and efficient operation of the SRN, in this case, particularly the A27.

Having reviewed this application, we are satisfied that the development will not materially affect the safety, reliability and/or operation of the strategic road network (the tests set out in DfT Circular 02/2013, particularly paragraphs 9 & 10, and DCLG NPPF particularly paragraph 109) in this location and its vicinity. Accordingly, I attach our formal response for your attention.

If you have any queries regarding this response, please contact us at
