Dear Miss Burrows

Following our conversation earlier this morning please find an amended Scheme Drawing and OS Map for the following application:

Development: 3 No. internally illuminated fascia signs, 1 No. internally illuminated moulded totem sign & 3 No. non illuminated wall mounted signs.

Location: Kwik Fit Unit 7 Southern Cross Trading Estate Oldlands Way, Bersted Bognor Regis

I can confirm that the scheme drawing has been amended to show the location of sign 1 on the site plan and also to clarify that there are only 7 external signs, all other signs are internal.

The OS (location plan) has been updated with the correct post code of PO22 9SA.

Yours sincerely,

Tara Gregory
