1. The Applicant shall not carry out any works in the highway except in accordance with the drawing submitted and approved by the Highway Authority. The works shall be carried out by a contractor approved by and under the supervision of the County Council. For the purposes of carrying out the works, the contractor shall comply with Codes of Practice for Training issued under the New Roads and Street Works Act 1991. Specifically, the contractors' supervisor will be trained and accredited to the requirements of the Codes of Practice. All contractors working on the Highway shall be in possession of valid Streetworks Qualification Register cards with the relevant Operative or Supervisor qualifications for the works being carried out. A qualified Supervisor shall be present on site whilst the works are taking place.
2. The applicant shall ensure that the WSCC Highway Inspector is given 14 days notice of the intention to commence the works authorised herein: The inspector may at his/her discretion allow commencement within a shorter timescale.
3. The Applicant shall indemnify the County Council in respect of any Third Party claims or demands which may arise from his works on the highway. The Applicant shall effect insurance indemnifying the Applicant and the County Council for the duration of the works and until the County Council resumes responsibility in accordance with condition 17. Such insurance shall afford an indemnity of not less than £10 million in respect of each and every occurrence or series of occurrences caused or attributable to any event giving rise to a claim. A copy of the insurance policy shall be included with this application.
4. The Applicant shall regulate the works so as to minimise obstruction to vehicular and pedestrian traffic and shall sign and guard the works in accordance with Chapter 8 of the Traffic Signs Manual 2006. The works area shall be maintained clean and tidy throughout the duration of the works. See also condition 12.
5. The Applicant shall not interfere with any drain, culvert, gully, bridge, wall or other structure without the specific consent of the County Council.
6. Except in accordance with this licence, no part of the highway will be closed AT ANY TIME without the prior consent of the County Council.
7. The entering into this standard form minor works agreement to carry out minor works in the highway does not authorise the Applicant to interfere with apparatus already existing in the highway. Access must be maintained to any apparatus within the highway at all times.
