Dear Mr John Hudson

Development:

Take out old double-glazed plastic windows in the dining room. Replace with triple glazed plastic windows. Reduce size of replacement window. This is to the rear of the house which doesn't over look Chichester rd.

Also, to the back of the house two windows desperately needs replacing, bathroom and bedroom.

The wooden back door in the dining room needs replacing to composite door.

Insulation needs to be put on the dinning room outside wall. Cladded and insulated with Marley Weatherboard.

We would like to replace the old existing guttering on the entire house from old plastic to deep fill cast iron effect guttering.

Replace the rotten front door with a composite door.

We also need to repair the front sash windows.
