Dear Sirs

Please find attached a notification for prior approval for a proposed larger home extension. I also attach a proposed plan and proposed elevation of the extension; in addition to photos showing the rear of the property as it currently is; the extension to the adjoining property, which demonstrates the building materials that I would propose to use; and the extension to a neighbouring property, which is configured in the way that I would propose my extension to look.

If you require any further information, please do not hesitate to contact me.

Yours sincerely

Nick Ahier
