Ben,

FYI. I will now approach Bersted Parish Council to see if they will withdraw their objection which was solely on the grounds of the drainage objection (and which requires this application to be determined by the Committee)

Kind Regards

Hi Simon,

I have reviewed the supplied information and sufficient monitoring has been completed for Phase 1. The details are also sufficient to enable the discharge of conditions 9, 10 and 12 for phase 1 should the applicant submit a DOC application.

Thanks,
