Dear Chris

Thank you for your email below regarding the Surface Drainage Statement.

I have double checked the validation requirements, and can confirm the statement is not required. Please accept my apologies.

Kind Regards

Nicky Moore

Dear Nicola

Thank you for your email and letter.

Could you please clarify why you think a Surface Water Drainage Statement is required?

In the first instance, the site is not located within the Lidsey Foul Water Treatment Catchment Area. In any event, it does not result in an increase of permeable surfacing. Secondly, it does not involve the creation of 2 new dwellings.

I look forward to hearing from you.

Kind regards

Chris
