Dear Ms Broomfield,

I can confirm following our telephone conversation earlier today that the emails sent on the 23rd December 2014 were requests for an extension of time on these two applications. However, the above files have now been

reassigned to me for determination. I am currently preparing reports on both of these applications and would be grateful if you could formally agree to extend the period for deciding your applications until Friday 9th January 2015.

If you agree to these extensions of time, an appeal against non-determination cannot be made until that extended period has elapsed.

Yours Sincerely,
David Easton
