Thank you for your email of 4/1/18, seeking HSE's observations on planning application BE/135/17/PL for Continuance of use without compliance with condition 4 imposed under BE/151/11/ relating to occupancy at Shripney Garden Caravan Site Shripney Lane Bersted PO22 9NS.

HSE is a statutory consultee for certain developments within the consultation distance (CD) of major hazard sites and major accident hazard pipelines, and has provided planning authorities with access to HSE's Planning Advice WebApp <https://pa.hsl.gov.uk>.

I should therefore be grateful if you would arrange for HSE's Planning Advice WebApp to be used to consult HSE for advice on this application, to see if it lies within the CD of a Major Hazard Site or Pipeline.

Should you or your colleagues need any additional help in using the new WebApp to obtain HSE's advice on a proposed development, a central support service is available at
