Dear Juan

The timetable you suggest is acceptable to us.

In terms of the application, when you have formed your views perhaps we can have a quick discussion (I am away next week as well)

Ben

Having had a good look at this application now and carried out a comprehensive site inspection I would like the views of my manager on it. Unfortunately due to half term he will not get an opportunity to get back to me before the 2 June which is when a decision is due. If we are to recommend approval it will need to go to Committee. Taking the precautionary approach could we agree an EOT till 10 August on the possibility that it goes to the August Committee?

Regards
