Salt Box Field Land off Rowan Way Bognor Regis

Thank you for your internet representation made on 22nd January 2019 which has been recorded as **'an objection'** with the comments as follows:

The increase of traffic will be considerable for the types of businesses suggested for Saltbox Field, in an area which already suffers greatly from gridlock traffic, making it more dangerous for those that live in Shripney Lane that have no other option than to come straight onto the A29 at the end of the dual carriageway and more difficult for those that live on along the service road or Barn Lane to turn right towards Bognor Regis. It also concerns me that there will be much noise in creating the businesses and continued noise from those businesses, that will affect the lives of the people living in Shripney but also the wildlife that we value so much. My other concern is flooding, and how that is only being maintained from the rear of the site whereas impermeable material will increase the flooding potential of the area.

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

Do not include personal information or information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information.
