Thank you for your internet representation made on 24th January 2019 which has been recorded as **'an objection'** with the comments as follows:

Within half a mile of this application there are already 4 supermarkets, two of which are superstores, and Lidl is increasing it's size when it relocates. And we also have three fast food outlets, two of which are drive-through.

Both these markets are already very competitive and well provided for; so any additional capacity represents an over-development of these category uses and could undermine the viability of the existing businesses, plus this site was never designated for this type of use.

Secondly, supermarkets and drive-throughs produce the highest volume of traffic movements of virtually all other business uses. This will be to the detriment of local residents and exacerbate the already increasing congestion along the new relief road.

I have no objection to the car showroom/workshop part of this application as car dealerships are relatively under-represented in this area and the traffic impact modest.

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves

the right to redact/remove all relevant information. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully
