Michael

Please see attached the updated Design and Access Statement as requested which corrects the unit numbers and includes updated drawings to reflect the design alterations made.

I hope to be able to submit the full technical drainage report to you later today.

Hi Nia,

Please could you amend the Design and Access Statement for the planning application for Salt Box (BE/135/18/PL).

The reference to Phase 1 on page 5 incorrectly refers to **Unit 8** as a site for a car showroom; and **Unit 9** as a site for a national food store. As we both know it is the other way around.

The same mistake is made under 'The Brief' on page 19.

I look forward to receiving the amended Design and Access Statement.

Kind regards,

Michael
