Good afternoon

I can't believe that the traffic will be from 5th tentacle from the McDonald's roundabout. Has nobody at Council forseen the absolute chaos involving traffic and pedestrians.
Have any of you tried to exit Halfords car park.
This will be the second mistake Council has made involving Rowan Way. I'm sure you don't need reminding what the first was!!!
Jobs allocated will be minimum wage or zero contracts and will not add anything to the local economy, probably closing more town centre shops.
Come on everybody wake up and smell the coffee, you only get one chance to do this.
Remember that ADC has never fixed the roof when the sun is shining, they just kept putting out fires.

Thanks and regards
