Please upload the email below and the attached revised document from the applicant onto Ocella for BE/135/18/PL - Salt Box.

Could you re-consult ADC Drainage Engineers and the Environment Agency and re-notify Bersted Parish Council.

I will complete an Action Sheet today.

Thanks,

Michael

Michael

It was noted that in the flood zone plan sent to you a moment ago, the key for FZs 2 & 3 was left in. This has now been corrected and the attached plan simply shows the 1.85m contour we are working to.

Kind regards
