Dear Sir,

I am most concerned at the planned change if use from a gym to yet another cheap retail shop.

The gym is vital to many people in this area for their health and well being. It is a well run and friendly establishment benefitting the community providing exercise and companionship at a very affordable amount.

I object most strongly to this proposed change of use because we would lose a well established and vital part of our community.

I look forward to hearing from you in due course.

Yours sincerely. Sylvia Pierce.
