12th December 2014

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2010 (as amended)

Change of use from Health & Fitness Centre (D2 Assembly & Leisure) to A1 (A1 Shops).

Unit 3 The Bognor Regis Retail Park Rowan Way Bognor Regis

Thank you for your internet representation made on 11th December 2014 which has been recorded as '**an objection**' with the comments as follows:

*This is the main fitness centre within this area that can cater for the number of members. The other leisure centres do not have the equipment or variety. Fitness First provides value for money in an area which not only the government-local & national but NHS have heavily promoted as a long term saver of money and prolonged life. For someone like myself with mental illness not only has the exercise helped me but the interaction with variety of people has increased my health. There are many retail outlets with that business park and the local area and with other retail outlets being empty as well as warehouses across the road that have been for years, for some time there is not a need for more if others are empty. Many of the members travel from Chichester and Littlehampton so it's show how good the centre is. With over 1500 members where are these people like myself going to go?
Why should Bognor suffer with the growing numbers of residents it needs Fitness FIRST*

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be

automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully
