Planning Control

Dear Sir or Madam.

Would you please be kind enough to see that this letter gets to the right committee? I am not used to writing about planning, and change of use matters.

This time I am really concerned about the possible loss of a great jewel in the town. I am talking about Fitness First. It is a real asset to the town.

There is no other club in Bognor that comes anywhere near it for price, showers, lockers, equipment, sauna, steam room, and Aroma room, free car parking, and free drinks when you finish your exercise.

I joined Fitness first when I had a hip operation in 2002 and have been a member ever since.

I understand a Furniture Store wants to come there, in my opinion there is enough of them already in the town, and they will not help you to keep healthy, which the Government seems to be saying about exercise, I am in my 84th year and it seems to help me to keep going.

I don't know for what reason Fitness First wants to sell out, it would be nice to keep it as a fitness club, for the people of Bognor Regis and surrounding areas.

Yours faithfully.

Peter Wreford.
