Dear Sir,

Thank you for your e-mail dated, 15th January 2015.

I regret that I am unable to come and speak to the committee meeting on 28th January 2015, to decide the future of Fitness First Gym, BE/136/14/PL

Speaking as a physically disabled person in a wheelchair, and a member of the Gym.

I would plead with you, NOT to close down Fitness First Gym, Because it is the only place in Bognor, where the disabled facilities are very good, and I can use them, and be a part of a Gym, which keeps me fitter than I've ever been, and free from illness.

Your Sincerely

Frank Yorkston
