Hello David, the additional paragraph is noted. The revised CMP is now acceptable. I'd recommend that the associated condition is discharged.

Kind regards

Ian Gledhill

Hi Ian,

Following your consultation responses in regards to the above discharge of condition applications I have now received the revised CMP which should address your previous concerns in regards to the pre and post condition survey of New Barn Lane (see page 6). I would be grateful if you could please review the revisions and confirm that these have addressed your previous comments.

Many thanks,
David
