Dear Miss Burrows,

I hope my amended location plan was OK - I'm assuming it was, as I haven't heard back.

Naturally, I'm hoping that Listed Building Consent is given, but if there are any issues which might prevent it, I would be grateful if you could let me know before the final decision, as there might be some change I could make, or further information I could supply.

If the application looks like it's going to be refused, it might be best to withdraw it and have some discussions with you prior to re-applying, rather than having it refused.

Best regards, Peter Mullans
